## AMANDA SMALL SOFA

Design Umberto Asnago

Il divanetto Amanda, disponibile in due misure, nasce dall'idea concettuale dell'omonima sedia e poltrona a cui si ispira disegnata da Umberto Asnago e ne eredita il design della struttura dai braccioli avvolgenti. Interessante nelle sue calibrate proporzioni tra seduta e schienale, il basamento è in frassino nei colori a catalogo Frigerio, con rivestimento in pelle o tessuto, disponibile anche nella versione bimaterica, con la parte esterna dello schienale rivestita in pelle.

The Amanda small sofa, available in two sizes, is conceived from the conceptual idea of the chair and armchair of the same name from which it is inspired and inherits the design of the structure with its enveloping armrests, designed by Umberto Asnago. Interesting in its balanced proportions between seat and back, the base is made of ashwood in Frigerio's colors, with leather or fabric cover, also available in a two-material version, with the outer part of the back covered in leather.
